BOOKING YOUR MAT - It is important that you book your mat in advance to ensure you don't miss out. We suggest logging onto the Myall app at least 24 hours before your desired class and reserving your spot.

Timetable current as of JANUARY 2023 and is subject to change.

YANG

Rise & Shine Vinyasa Yoga

Power up for the day ahead.

Rise and shine yoga is for our early risers. A dynamic flow designed to activate your metabolism and switch on your brain.

Offering a slightly slower pace, this class will give you more of a chance to really refine your alignment in each pose and sync each movement to your breath.

You'll build vitality and flexibility and leave feeling ready for a productive day.

Duration: 60 minutes.

Practised at a comfortable room temperature of 24 degrees Celsius (heated with infrared technology).

Energise Heated Yoga

Feel the heat and challenge yourself.

This is our more advanced heated vinyasa yoga class. Syncing movement to breathe this class takes you through a dynamic sequence of postures to build internal heat.

It's a strong flow at a faster pace, with some great tunes. We'll offer postural cueing for beginners and more difficult progressions of each asana to challenge those with more advanced practice.

You'll detoxify your body, deepen your flexibility, find your edge, and leave feeling accomplished and energised.

Duration: 60 minutes.

Practised at a balmy 28-30 degrees Celsius (heated with infrared technology)

YANG

Harmony Yoga

This is your hour.

Our Harmony class guides you through a set series of postures designed to provide consistency and serve as a benchmark for a regular yoga practice.

Maintaining focus on alignment, this class empowers you to master each posture and see an overall improvement in your form and function each week. With minimal pressure on the shoulders and wrists, Harmony is suitable for all levels and will help improve your joint strength, control, flexibility and overall wellbeing.

You'll feel aligned in your body and mind and see noticeable progression in your yoga practice.

Duration: 60 minutes

Practised at a comfortable room temperature of 24 degrees Celsius (heated with infrared technology).

Foundations Yoga

Explore the fundamentals.

Our foundations class is perfect for beginners and is an opportunity to learn about foundational postures, movement patterns and breathwork. We'll slow things right down to provide more information about how to move through poses safely.

You'll discover the benefits of yoga and mindfulness and leave feeling more confident and comfortable with the basics.

Duration: 60 minutes.

Practiced at a comfortable room temperature of 24 degrees Celsius (heated with infrared technology).

YIN

Rest and Restore Yin Yoga

Unwind, find balance and ease.

Rest & restore is our yin yoga class, consisting of passive floor postures and stretches, each held for long periods of time. Increasing circulation in the joints and improving flexibility by targeting the fascia, this class helps to mitigate body aches and immobility. Yin offers balance to the upbeat demands of everyday life.

You'll find deep relaxation and leave feeling calm and open.

Duration: 60 minutes.

Practised at a comfortable room temperature of 24 degrees Celsius (heated with infrared technology).

Rejuvenate - Yin/Yang Yoga

Take your time, find a slower pace.

Rejuvenate yoga offers a well-rounded practice and is all about finding the balance between yin and yang. Combining elements of both yin and vinyasa yoga frameworks, Rejuvenate yoga incorporates flow to warm the body and meditative yin postures with longer holds.

You'll feel in tune with yourself and leave feeling balanced and at ease.

Duration: 45-60 minutes.

Practised at a comfortable room temperature of 24 degrees Celsius (heated with infrared technology).

OTHER

Mat Pilates

Build strength from the inside out.

Our mat Pilates is an all-around class focusing on building strength, spinal mobility and core activation. This condensed but strong class will improve your core control and proprioception while teaching you to be mindful and move your body using the correct form.

You'll build inner strength, improve your posture and have fun along the way.

Duration: 45 minutes.

Practised at a comfortable room temperature of 24 degrees Celsius (heated with infrared technology).

Spinal Flow

Improve the health of your spine and energise your body.

This unique weekly class blends yoga, mindfulness and functional movement to create a powerful practice that can transform your body and mind.

Our goal is to give you greater spinal comfort, mobility, body awareness and overall joint strength and control.

Duration: 60 minutes.

Practised at a comfortable room temperature of 24 degrees Celsius (heated with infrared technology).
